WHY SHOULD YOU SPEAK AT THE B NRF CONVENTION?

The Black Nurses Rock Foundation invites you to join us as a speaker/presenter for the 2023 Black Nurses Rock Annual Convention, March 1st-5th at the Silver Legacy Resort Casino, Reno, Nevada.

BNRF Conventions have always been a space for nurses to connect with each other and experience engaging educational sessions, a packed exhibit hall, and a Gala for the record books. But we want to expand that space to provide you, our members, with an opportunity to share your knowledge and expertise and gain valuable leadership and presentation experience.

CONVENTION THEME

The theme of the 2023 BNRF Annual Convention is "Inspire, Empower, Innovate." Our theme is a call to focus on the human element of nursing, the nurses themselves! Our goal is for all attendees to leave the convention with new knowledge, newfound confidence, and new ideas. And who best to embody our theme than our own membership of inspiring nurses?!

Our theme outlines the three topic categories for which we are seeking presentations. **Inspire:** How can we inspire our fellow nurses? Topics related to self-care and mental health, leadership, staff retention, and more are encouraged. **Empower:** Empowerment means many things, from starting a side hustle to effecting legislation to financial literacy. Empower your colleagues with your expertise. **Innovate:** As the world rapidly changes, so too does nursing and technology. Innovative ideas and practices offer new solutions to old problems.

Suggested Topics

INSPIRE

- Mental Health and self-care
- Leadership in Nursing
- Staff Retention

EMPOWER
